BISHOPS MILLS CEMETERY

Bishops Mills Cemetery is located on County Road 18, approximately 2 kilometres east of Bishops Mills. The cemetery has approximately Four Hundred and Ninety (490) burial plots and approximately Five Hundred (500) monuments.

August 7, 1856, one acre of land was purchased from Thomas and Jane Alexander for the sum of Five Pounds and Ten Shillings. More land was purchased from Samuel Render for Fifty Dollars (\$50.00) in 1937 and a final parcel of land was purchased from Elwin Porter in 1955.

The first board of trustees was elected on July 30, 1936, consisting of: Clifford Dool, Fred Sherrad, Earl McLellan, Eldon Snowdon and Cecil Dool.

The By-laws and regulations governing the Bishops Mills Cemetery was first passed on March 15, 1938. These consisted of by-laws and regulations stating that the cemetery was to be named "The Bishops Mills Cemetery", the duties of the elected trustees, plot sales and maintenance.

Holmes Construction erected a cement block vault to hold eight caskets in 1944 for the sum of Seven Hundred and Fifty Dollars (\$750.00).

The first riding lawn mower was purchased for Five Hundred and Twenty Five Dollars (\$525.00) in 1969 from Cater's Texaco Station in Kemptville, Ontario.

The iron fence and gates was given as a memorium by Mrs. Stanley Halpenny (Helen Buker), in memory of her father, Mr. Samuel Buker. Mr. Reg Weedmark, of R. R. #4, Kemptville, Ontario, installed and completed the fence and gates on June 21, 1974.

The cemetery name sign designed by Thomas Graham, Bishops Mills, Ontario was erected in 1991.

Efforts from many individuals, over the past years, have helped to develop this interdenominational burial ground.
